In-Laws

The color-sympathy is an intense red ; the forces are executive and marked by energy, but conserving in tone, and trending toward defence. After they are sent away to study their craft, they begin down a path that will change their lives forever.

Frequency Independent Antennas

This state of nature is followed by the social contract. On urgent problems ranging from climate change, to religious and ethnic conflict, to economic inequality, to catastrophic war, no nongovernmental organization has more power to promote change for the better, worldwide, than the Catholic Church.

Stolen Spirit

San Francisco is known for many things, and one of the most notable is the fog.
