I like to play in the sand. When I looked in the careers guide and saw that it took seven years of training to become an architect I thought 'bugger that' and concentrated on the other two. Scroll down for video.

Indeed, some of these have rather different meanings depending on position:

It was a really relaxed session. Placed at 2 in England; winner in 1 start at 4 in N. But why have his contributions to contemporary political theory commanded such attention. If you're not comfortable bringing it up on your own or discussing it when your partner does she suggests seeing a therapist, who can help the two of you navigate the issue in a healthy way. And I'm saying that without adding her powers to the *The Accidental Purchase of Love*.

Investigating Media Repertoires and Media Ensembles. The social fronts are institutionalised - others base expectations on us in our roles as, for example, a university teacher, car dealer, bank manager. But the risk may be unaffected if firms are already taking care of workplace safety or if, at the same time, the workers' environment appears so safe to them that they reduce their own protection efforts.
