My favourite character in this book was Marc, I found him interesting because as a 14 year old agent being held as a prisoner he still manages to handle his problems well and solve them with ease, I also found it interesting how determined he was to get out of Frankfurt even though he's been trying to escape for 10 months you would think he would quit because of the harsh environment. Setup an account with your affiliations in order to access resources via your University's proxy server Configure custom proxy use this if your affiliation does not provide a proxy. This was once a house of trade - a centre of busy interests. Hence, the evaluation is based on Monitoring data and Project documents on the one Hand and empirical data gathered through extensive partly standardized interviews and partly standardized online surveys with participating communities on the other hand.
